

The Future – Moving Forward Together

- Our work to build a healthier St. Louis is not complete
- Major regional improvement efforts are planned over the next 5 years including, but not limited to:
 - Implementation of electronic health information exchange for uninsured & Medicaid patients among safety net providers
 - Expansion of the IHN's Primary Care Home initiative throughout the region
 - Expansion of the IHN's Health Coaches program to new populations
 - Improvements in collaborative clinical decision support and sharing of best practices among IHN members
 - Major restructuring and integration of regional public behavioral health providers
 - Improved integration efforts between behavioral health and physical health providers
 - Expansion of MFH's health literacy initiative into the community
 - Continued focus on reporting improvements in access to primary and specialty care services in the region

The Future – Moving Forward Together

- Meaningful and lasting change cannot occur without the active involvement of patients, health care providers, community groups, associations, businesses, neighborhoods, and citizens of the region. We continue to invite you to participate in the efforts to improve our health care system by:
 - Attending an RHC community input session at any time – dates and locations are posted at www.stlrhc.org.
 - Asking a Commissioner, Advisory Board member, or RHC staff member to meet with your neighborhood or community group.
 - Attending our meetings – all are open to the public and listed at www.stlrhc.org
 - Sending your thoughts and comments to us at info@stlrhc.org, or visiting our website to learn more at www.stlrhc.org.
- We appreciate your collaboration in this effort. Together we are building a healthier St. Louis.
